THE UNIVERSITY'S SIXTH annual Summer Carnival, highlight of the summer recreation program, will be held July 24 from 8 to 11:30 p.m. on Lisner terrace.

## Eight Leading Contemporaries Display Paintings at Library

by Mary Alice MacDonald

PICASSO, KANDINSKY, KLEE and Kokoshka are among the outstanding 20th century artists whose paintings are included in the summer exhibit which opened Sunday at the University library.

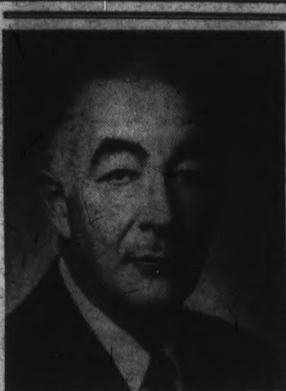

Eleven paintings of eight artists, lent for display by the Solomon R. Guggenheim museum of New York, include two oils on canvas, *No. 683* and *Composition*, by Vasily Kandinsky, since been identified with nearly every movement in art.

His earlier stages, cubistic, for which he gained fame, were known as the blue period and the rose period. During and after World War II he became identified with the Communists and created for them the abstract symbol of the dove.

The Russian Kandinsky and the Germans Klee and Marc were founders of the German Blue school of expressionism before World War I and continued their separate ways after it dissolved, experimenting with abstract, cubistic non-objective art.

**Blue Rider School**  
Kandinsky was the leader of the Blue Rider school and nearly all modern abstract art has grown from the work of him and Piet Mondrian.

Klee deals in a world of fantasy on an intellectual plane. The representations for which he is

## Surgery President

DR. BRIAN B. BLADES, professor of surgery, was elected president of the American Association for Thoracic Surgery at the Association's annual meeting in Chicago last week. ## Big Sis Holds Annual Clinics

"THRU FRESHMAN EYES" was the theme of the Big Sis Workshop held last Saturday, May 11, in Gov. 2.

The workshop was opened by Mary Hoffman, president of the organization, who introduced the other officers of the group.

Three speeches were given by representatives of the faculty, administration and student body.

Mrs. Lee Bielecki, assistant professor of speech, as the faculty representative spoke on the importance of the organization. Miss Virginia Sherard, assistant director of activities for women, representing the administration, gave pointers on the psychological handling of a little sis. Outstanding Big Sis of 1957, Ann Weiss, suggested the proper procedure to follow and the pleasure a Big Sis can take from seeing her Little Sister participate actively in the University program.

## Follies Completes Year's Activities

## Cherry Trees

THE 1957 CHERRY TREE will be distributed to purchasers in the Student Union lobby during examination week. Students must present their receipts. Students who paid a \$3 deposit may pay the remaining \$3 when they claim their yearbooks. Distribution times will be posted in the Student Union lobby, the Cherry Tree business staff announced last week.

The program, a takeoff on tryouts for a Broadway musical, is entitled "Casting Tonight." Among the performers are Dick Cook and Bert Minkin, assisted by Lynn Ray and Dave Liddick, in a comedy duet from "Kiss Me 'Kate'"; Jackie Lovett, who will contribute Hollywood impressions, Sandra Zweiler, singing the blues, and Janet Romine, performing in a classical vein.

A delegation from Phi Kappa Alpha fraternity, including Bernie Passeltiner, Lenny Metallo, Ed Rutsch, Lee Jameson and Walt Jaenicke, will present their rendition of "Jubilation T. Cornpone" from the current Broadway hit "L'il Abner." Members of Kappa Alpha Theta sorority will display their ability in a chorus line routine.

The program also includes two trios: one with Carol Hesse, Cathy Pendleton and Gayle Cook, singing "Mocha-cha," and the other with Ruthie Reagan, Bev Alexander and Sally Ricci harmonizing with "Namely You," also from "L'il Abner."

Singing soloists are Bill Dotson, who will present a love ballad, Ann Mitchell, "Dancing on the Ceiling," Rita Bailey and Alan Berger.

An interpretative Oriental dance will be performed by Sigrid Weeks. Patsy Martin and Jim Tucker will contribute a calypso number. On the classical side, Marcia Barrett will present a ballet. The climax in the dance department will feature Miss Ray and the Juarez Corps de Ballet, made up of University's Sun Bowl heroes.

Other entertainment will include members of Sigma Nu, who will don masks to become "The Nairobi Trio," and Bev Borden and Mr. Passeltiner, who will offer "Sue Me," the classic duet between Adelaide and Nathan Detroit in the Broadway and Hollywood hit musical "Guys and Dolls."

Vince Mortorano will present a specialty number, as yet undisclosed. Running commentary will be offered by Mr. Dotson and Clayton Chadwell, and the entire cast will join in the introduction and finale.

Heading the production is Ed Ferero, managing director of University dramatics. Assisting him are Barbara Staub, Walter Propps and Miss Ray. Mr. Mortorano is stage manager, Bob Block is musical director and Mary Manhardt is costume designer.

## Pledges Increase For '57-58 Combo

THE CAMPUS COMBO will enter its fourth year in the fall with numerous students already pledged to become buyers.

The addition of the Cherry Tree to the student activities discount plan makes the 1957-58 Combo "the biggest and best ever," according to co-chairmen Warren Barley and Phyllis Charmley.

In addition to the yearbook, the Combo will include tickets to the three dramatic productions, the Homecoming Ball, the Colonial Cruise, Winter Weekend, the modern dance concert and membership in Colonial Boosters.

with the world on a string

This June, the graduates of our engineering and scientific schools, pockets stuffed with job offers, have "the world on a string."

But there's another "string" attached to this fabulous situation: A man can only accept one job offer.

How can the graduate make up his mind wisely about his vital decision?

We're not going to try to tell you. And we're going to resist the temptation to point out the many advantages of working for IBM—much as our company, like every other, needs top-notch engineering and scientific talent.

We're merely going to leave you with one thought that may help you make your decision:

IBM's President has stated this policy: "... I want this company to be known as the one which has the greatest respect for the individual."

YOU'VE PROBABLY HEARD of torch songs (music to cry by), Air Force songs (music to fly by), and Aloha songs (music to bye-bye). The Lucky Strike song is music to buy by: it's a pretty ditty that's devoted strictly to Luckies. Naturally, that makes it a *Cheerful Earful*! It reminds you that Luckies are tops and that better taste is the pleasin' reason. Luckies' taste comes from fine tobacco—mild, good-tasting tobacco that's **TOASTED** to taste even better. So, as the jingle says, "Light up a Lucky, it's light-up time!" You'll say it's the best-tasting cigarette you ever smoked!

## Editorials

# The Old And New

• DURING THIS YEAR, much interest and growth has developed in student activities, University life and development.

Additions to our physical plant have been made with the Tompkins Hall of Engineering and the Freshman Club. We also received a loan of \$1,250,000 for dormitories and the announcement of the beginnings of our new basketball pavilion. In total, the University has probably enjoyed its most successful year in sports: in football, baseball, tennis, golf and rifle.

In the field of activities, beginnings were made for a music room and work starts this week on a complete renovation of the second floor of the Student Union.

This year too, the HATCHET began to fully use its position as a mold of student opinion. This opinion has sometimes been applauded; other times our policies have been questioned or criticized. Of course the actions of an editorial body, regardless of its capabilities, will not go uncriticized. We feel that our editorial policy has increased interest in the workings of student government, and that even in those cases where our views have been questioned, the net effects have at least awakened an interest in student life.

This has been a good year. The 1956-57 Student Council reflected the new interest in activities and set the stage for next year. Joe Hince served his council and his school well. We hope that next year's Student Council and HATCHET will continue to complement each other as forces in student life.

# Professors Emeritus

• OUR SINCEREST BEST wishes go to four retiring members of the faculty whose academic contributions to the University are assured of permanency.

Dean Henry Grattan Doyle, retiring Dean of the Columbian College, a scholar of romance languages; past grand national president of Pi Delta Epsilon, national journalism fraternity; honorary president of the Hispanic Society of America;

Dean Walter A. Bloedorn, retiring dean of the school of medicine; former chief of staff at Gallinger General Hospital; newly elected president of the executive committee of the National Board of Medical Examiners.

Dr. Robert W. Bolwell, retiring chairman of the Graduate Council, a member of the faculty since 1920, former director of Summer Sessions, and director of Foreign Students.

Col. Elbridge Colby, retiring executive officer of the department of journalism.

We would like to extend special wishes to Dr. Colby. Col. Colby has been more than an instructor to most of the persons working on student publications. His leadership, academic fearlessness and intellectual strength have served as a goal for many of us.

Col. Colby's vocations have ranged from newspaper editor to military historian. Included in his long list of achievements are the receipt of the gold medal of the Serbian Red Cross, the Order of Mercy (Yugoslavia), Toulmnia Medal of the American Society of Military Engineers and the University Medal, Columbia University.

To each of these distinguished members of the faculty, again our best wishes.

# Letters To The Editors

Joe Hince

#### • TO THE EDITORS:

During this period of transition, as a new Student Council takes office, we would like to express our heartfelt appreciation to Joe Hince, President of the 1956-57 Student Council.

Mr. Hince has personally displayed an extraordinary sense of fair play, an unwavering position of integrity and a commendable ability to act in every crisis.

In every dealing with the Council and the student body, Mr. Hince has acted to promote the interests of the majority, while at the same time protecting the position of minority elements from abuse. He has been a democrat (with a small "d") in every sense of the word, guiding the Council through intelligent leadership, rather than dominating it dictatorially.

If student government has reached new heights of prominence and prestige during the past year the cause is in large measure due to the work and dignity of the President, Joe Hince.

We wish him the best in years to come and thank him for the opportunity he has given us to act together in the best interests of the student body.

# Council Elections

#### • TO THE EDITORS:

In view of the mild furor which arose during the recent elections of the Student Council and the Student Bar Association, I would like to clear up a misunderstanding which has resulted from a partial and not wholly accurate quotation of remarks which were made by me at the Student Council meeting of May 1. The HATCHET report of that session attributed to me a statement of assurance that "regardless of what was done," Law School apathy toward Student Council elections would continue next year.

I believe that the record will show that the tenor of my remarks was to the effect that present election rules insure a light turnout of votes at the Law School, and that they are a hindrance to Student Council and Student Bar Association attempts to encourage Law School participation in all-University programs. I do not feel that the light turnout of Law School voters can be attributed to apathy, and I certainly do not agree that nothing can be done about it. The difficulty arises from the fact that there are separate and independent election rules for Student Council and Student Bar elections, and that restrictions on Student Council election campaigning and polling in the Law School give rise to many misunderstandings and do not give the law student the chance to be fully informed of the platforms and qualifications of candidates for Student Council office. These restrictions, coupled with the fact that law students in general often discard their student activities books because they have such limited use for them during the year, create the 'apathy' to which I referred. It is not a situation which cannot be remedied.

Mr. Reinsdorf, the Student advocate, made some real strides in this direction during the past election. His wholehearted cooperation and tolerance under extremely trying circumstances deserve the plaudits of every student. Within the bounds of previously established election rules, he did everything in his power to protect the interests of two law students who were candidates for office, although to do so, he was often required to exercise a judicial restraint.

With the permission of Mr. Reinsdorf's Election Committee, Messrs. Rode and Shuken were invited to attend, and to be introduced at an SBA election forum, in order that both they and their Law School opponents might be introduced to the somewhat partisan group of law students who were in attendance at that meeting. It was abundantly apparent that neither Mr. Rode nor Mr. Shuken stood to gain by an attempt to arouse voter interest

# Coeds Invade The Big City For Holiday Fun

by Mary Lou Bishop

• TRAVEL BEING broadening, educational, relaxing, fun, etc., some friends of mine and I decided on a New York jaunt for our Easter holiday.

Oh all right, to be strictly accurate three friends were planning the trip and agreed to let me go too just to shut me up. That's how I got the job of making hotel reservations and waiting for theater tickets. So I picked out the one hotel I could remember the name of (here anonymous since I don't have time for a law suit) and several shows people are seeing by hocking their second-best tiaras, and wrote friendly little notes about our plans, stamped self-addressed envelopes enclosed for convenience in replying.

Very soon I was in receipt of a letter acknowledging my hotel reservation (adjoining rooms if available) and several advising me of the ease with which I could obtain theater tickets for some time next October.

Came the grand and glorious departure day and I set off gaily under the weight of my sister's suitcase. She agreed to substitute for a poison-ivied friend at the last minute so that least I could do was tote her lead-lined steamer trunk. At least that's what she said.

#### Anyone for Bridge?

We boarded the 8 (a.m.) B&O and plopped down in a reserved seat car with our coach tickets and held our breath until the conductor accepted us. Then we pushed forward to the club car for bridge. Ha! The car was crammed with girls on a senior tour.

I bought a cup of coffee and divided it about equally between my inside and outside. I can't post on a horse—a train's impossible. A rollicking chorus of "O'Leary Was Closing the Bar" with the seniors and I was ready to go back to my own seat and memorize the latest edition of the "New Yorker" for background information. It's simply amazing how you can impress people simply by talking fast enough and long enough.

The B&O stops in New Jersey and transports NYC passengers by bus to various points. Travelers are allowed to leave the bus and enjoy the ferry ride. We did and it was simply lovely until we started to get back on the bus and couldn't find it. Just as it was about to leave we saw it through a small crack in the ferry boat and squeezed through in the nick of time to the eternal detriment of my wide-brimmed white hat.

#### What a Thrill!

Wonderful, wonderful New York. What a thrill to walk up to the desk, mutter "leftmyreservationoninformationat-homebutitshouldbeonfile," and be told to come back in three hours or so because your rooms aren't ready. Oh, well, it gave us time to buy tickets for "No Time for Sergeants" on a three against me wants to see "Visit to a Small Planet" basis, grab lunch, and take the most circuitous route possible to the Modern Art Museum.

My manic attitude to being able to wave casually across the Museum County and with an "Oh-yawss, that's where the Japanese was heard last time" was rapidly depressed. I can't compete with "Oh look, how very typical of Cezanne—the first Cubist, you know. No, I don't and I'm not absolutely sure I want to."

Back at that hotel, we were referred around a couple of corners to a "much smaller and quiter" and dingier place because of the unexpectedly long stay of another high school trip. The namby-pamby type, my only reaction was hysterical laughter, particularly when the luggage check attendant asked if he could help me ten minutes after I'd given him all my claim checks. But my reputation as a travel arranger took a quick dive.

#### Greenwich Village

Properly installed in the other hotel, we began a happy round of plays, the Metropolitan Museum, and a guided tour plus a self-conducted tour of what had better have been Greenwich Village.

There were minor mishaps of course. The hotel's water supply failed one morning. "I don't know what's the matter, ma'am; I guess we'll just have to be the dirtiest hotel in New York." But we had a wonderful time. And it was educational—if a forty-cent cup of coffee is good enough you can stand the price. So I guess if the New York Times used bigger print for want ads we might have forgotten comprehensives and unreturned exams. But we came back and this is the story of Gullible's most recent travels.

at the Law School, but both entered the "lion's den" graciously and willingly. Had they not appeared, neither of their opponents could have been introduced, nor could it have been pointed out to those attending the meeting that fellow law students were candidates for two offices. Despite the unenthusiastic reception which they received at the meeting, Mr. Rode and Mr. Shuken expressed both public and personal appreciation to the Student Bar Association for allowing them at the SBA forum.

One of the first acts of the newly elected Council was to announce its intent to revise elec-

tion rules and procedures. While I am somewhat disappointed that many law students were turned away from the Student Council polls this year, either because they had no activities books or because the polls remained open only for limited periods during the two days of balloting, I have every confidence that revised campaign and balloting rules for Student Council elections will be designed to insure that every voter will have the opportunity to cast an intelligent and well-reasoned vote in future Student Council elections.

**BUSY, BUSY WEEKEND!** Everyone made the most of the last weekend before exams!!!

The Pikes began their weekend Friday night at the Court House Country Club with their annual Dream Girl Dance. Highlight of the evening was the crowning of Bonnie Borden, Pi Phi, as Pike Dream Girl of 1957. Her court included Bev Giss, Shirley Smith, Carol Wilson, DG, and Betty Lacey. Those present included Steve Judge and Beth Sanford, Hugh Pike and Pi Phi Barbie O'Neill, Bernie Passeltiner and Betsy Evans, Ship Wreck Queen, Fred Dibbs and Ellie Holt, Pi Phi, and Moose Rutsch and Pat Kallie, DZ.

Weekend festivities continued on Saturday with a gala picnic at Jim Lay's house in Dunn Loring, Va. Sunday, those hardly enough to continue, went on a beach party.

The brothers of Phi Sigma Kappa also celebrated their spring formal over the weekend. Held jointly with the American and Maryland University chapters, the Carnation Ball was held Friday night at the National Press Club, the good brothers of G. W. Lambda led the singing. Couples included Jim Newheller and ZTA Ruthie Reagan, Bill Stanton and Jean Shriver, Bill Holt and KD Kathy Denver, Chuck Forbes and Theta Pat Pierson, Bill Cartwright and Pi Phi Kay Palle, Ken Wakeham and Kappa Brenda Welch, Tom Hand and Pi Phi Ruthie Berryman, and John Prokop and Pat Fouity.

Saturday night also saw the annual pre-Ocean City blast at the SAE house. Ron Bierwagon turned up in a sarong, many Sigs came by in masse, and all were merry. Even Jewett Gindratt DeVotie, ever faithful mascot, was said to be smashed. (Dr. Sam Togas had him in tow at last report.) Eldon Miller and Kappa Bev Alexander, Bill Frank and DG Sally Paxton, Chris Catoe and Kappa Sandy Reedy, Jack Williams and Inez Tonelli, DG, Warren Barley and Kathy Blackburn, KKG, and Wylie Clark and Chi O Judy Crown, were among the many present.

Meanwhile, back on G Street, the Sigs were enjoying an End of the Year party last Saturday, before exiting in masse to the Sigma Alpha Epsilon house. Seen around the campus were Shorty Varley and Kappa Bev Falk, Rick Rowell and DG Nancy Koontz, Boots Busky and Kappa Jan Powers, Wylie Barrow and Kathy Scanlin, Mike Sullivan and Pi Phi Linda Wagener, Tom Varley and Kappa Marby Adams, and Dave Liddick and Patsy Martin and Hal Bergem and Dot Herlong.

That same night Acacia celebrated its annual Founders' Day with a dinner at the Madillon Restaurant and a dance following it back at the house. Announcement of the evening: Theta Donna Gumz has become engaged to Bill Godwin.

# Real Heale At Last Revealed! Schroebe! Admits She Did It

by Bunny Miller

● **HOLD ON TO** your hats, you few students who haven't as yet guessed. This reporter proudly announces the secret identity of Hester Heale, well-known gossip columnist. The writer of that ever-popular Foggy Bottom for the past year has been... Elva (madcap) Schroebe!

Elva, a junior, has been writing the column since September culminating her three years of HATCHET writing. Besides this, she is a mainstay of the HATCHET features department.

She says that she had a few bad moments during the past year, when the Foggy Bottom box was practically empty, and then people would come into the HATCHET office complaining that their names were never in the column. But she added that the work was fun and very interesting. Elva also said that she believed most people guessed her identity from her style and by some other mysterious means.

Activities

Elva, active on campus, is next year's freshman director of the Student Council. She has been ISAB treasurer, and is in the debate society. She is a member of Pi Delta Epsilon, journalism honorary, and is Pi Beta Phi pledge trainer. She will also serve as Greeks editor of the Cherry Tree next year.

## VALEDICTORY

With this column I complete my third year of writing for Philip Morris.

It has been my custom in the final column of each year to forego any attempts at humor, because you, dear readers, have had your funnybones so frozen by the cold wind of impending final exams that it is futile to try to get a laugh out of you; and because in this last column of the year we are saying goodbye, and goodbyes are occasions for sweet solemnity, not slapdash foolery.

Today my heart is full. I am grateful, first of all, to the Philip Morris Company who make this column possible. They have given me a completely free hand in the choice of subject matter; they have not tampered in any way with my copy; they have been unfailingly courteous and helpful. I wish to take this occasion to extend heartfelt thanks to the makers of Philip Morris for their most touching kindness, and to notify them that if we renew our association for another year, I shall require a substantial increase in salary.

Second, I should like to tender my thanks to you, dear readers. A writer's life is not an easy one. There are an appalling number of hazards—a drought of ideas, for one; catching your necktie in the roller of your typewriter, for another—and when a writer is blessed, as I have been, with an audience as alert, as bright, as intelligent as you, dear readers, then he must take his hat in his hand and his necktie out of the typewriter and humbly give thanks.

This, dear readers, I now do. Thanks for being dear. Thanks for being readers.

Finally, I wish to thank the tobaccoists of America who make it possible for us to buy our Philip Morris Cigarettes by the pack. If there were no tobaccoists, we should have to buy our Philip Morris direct from the factory in boxcar lots. This would present grave storage problems to those of us who live in dormitories and other substandard dwellings.

I hope, by the way, that you have been to your tobaccoist's lately and bought some Philip Morris Cigarettes. I have been trying to beguile you into smoking Philip Morris Cigarettes by means of what advertising men call the "soft sell." Indeed, I have occasionally gone beyond the soft sell into the "limp" or "flabby" sell. I hope my pulpy merchandising has had its effect, for here is an enchanting cigarette, pure, natural pleasure, a joy, a jewel, a haven to the storm-tossed, a bower to the weary. And in addition to being a haven, a bower, and all like that, Philip Morris is a boon to the absent minded. No matter which end you light, you're right!

And so goodbye. Go in peace, go in content. May good fortune attend your ventures, may love and laughter brighten the corners where you are. See you, hey.

© Max Shulman, 1957

It's been a great pleasure for us, the makers of Philip Morris, to bring you this monument to the soft sell each week. Till next year, goodbye, good luck, and good smoking—with natural Philip Morris, of course!

case and lighter to Captain Henthorne by president Wade Algee. Sunday found the Sig Ep's celebrating madly. An exchange with Kappa Kappa Gamma, the opening of their new patio, and the winning of the softball championship were the triple cause for celebration.

The Pi Phi's and the Pikes got together recently for a luncheon, with Bev Borden and Bernie Fasselner entertaining the assembled crew with "Sue You."

Engagements: Bill De La Vergne, Pike, became engaged on Friday, May 3, to Betty Lacey. Kappa Delta Mildred Stipe became engaged the next day to Jim Malmer.

But with exams so close, student minds are turning to thoughts of Ocean City. In Sigma Alpha Epsilon, new president Eldon Miller has made a bet to cycle up to Ocean City. No one took him seriously till they saw the new English bike in the house on 19th St. Prize is a case of beer, but in addition Eldon says solemnly, "It's my form of summer recreation. Some people play tennis, some golf. But I'll ride my bike." Tentative plans are for Mike Sommers to accompany if he can find a bike somewhere.

Gate and Key announces that it will arrange for a blast at Ocean City, as soon as they can find a suitable place. All fraternities and sororities are invited to meet at the ball park in Ocean City on Saturday the 25th at 2 p.m. Further instructions are just to bring beer—plenty of it.

SAE's and Pikes are rumored to be holding training sessions now for their annual ball game.

And then there are finals . . . too!

The Tekes also were partying Saturday night, but in a way all their own. The Party was a "Strangers' Carve." Invitations were handed out to good looking

Singles by Hoar and Cennick brought in a run for Pike in the second, but Phi Alpha retaliated by getting a run in their half of the second.

PiKA tied it up in their half of the third when Gillum doubled. Phi Alpha made two errors and Hoar singled. This ended the scoring until the fifth inning. Gillum singled and went around to third, finally scoring on Hoar's ground ball to the infield.

## S. P. E. Beats Phi Alpha For Mural Softball Title

by Bob Lipman

• FRED STRUB HIT a three run homer to give Sigma Phi Epsilon a 7-1 victory over Phi Alpha (b) and its second consecutive Intramural softball championship.

SPE had beaten Phi Alpha (a) 6-5, while Phi Alpha (b) had won over Pi Kappa Alpha (b), 8-4, in the semifinal play-off games. PiKA beat Phi Alpha (a) in a consolation game to win third place.

Bob Schmidt, SPE hurler, had a no-hit, no-run game working until the bottom of the fifth inning when Sam Sirkis singled in Warner Wolf from second base.

SPE jumped on Phi Alpha (b) hurler Roger Spitzer in the first inning for three runs. Charley Jacot led off the inning by being hit with the first pitch. Bon Mock and Jim Shifflett followed with consecutive singles scoring one run and putting runners on second and third. Mock was called out at third for leaving the base before the ball was pitched.

### Scores Run

Schmidt, batting clean-up singled in Shifflett, to score the second run. Strub singled and Jack Dano forced Schmidt at third base. Wade Algee doubled in Strub to account for the third run.

Shifflett started another three-run rally in the third inning by getting a single. Schmidt was safe when Sirkis couldn't handle a hard ground ball. Strub then blasted his home run far over left fielder Garner's head.

The final run of the game came when Shifflett, who was three for three, doubled Mock to third in the fourth inning. Mock raced home as shortstop George Orlove held the ball with his back towards home plate.

Schmidt got one out in the fifth inning, but walked Warner Wolf. Wolf stole second base and scored on Sirkis' single to left field. Sirkis was out trying to steal third base and Bob Barkin, batting for Don Goodman, struck out to end the game.

### First Playoff

Actually, the game that decided the championship was the first playoff game between SPE and Phi Alpha(a). Both of these teams were considered the strong teams.

Surprisingly, both Schmidt and Elseberg, opposing pitchers, were not too difficult to hit. SPE opened the scoring in the first inning when Shifflett forced Jacot, who earlier had walked, and went to second base on a bad throw by Mert Lynn. Two runs scored on Texas League singles by Schmidt and Strub.

Phi Alpha evened the score in their half of the inning. Joe Byron singled and Ardie Baker beat out a bunt to the pitcher. Lacey, SPE first baseman, tried to get Byron at third after the bunt, and threw wild and Byron scored. Baker, on second, stole third base and went home on a bad throw to the third baseman Strub by Shifflett. This tied the score at two apiece.

### SPE Rallies

SPE stormed back in the third inning. Jacot led off with a single and Bart Myers, Phi Alpha shortstop, bobbled Mock's ground ball to put men on first and second. Shifflett singled to center

scoring Jacot, but Baker threw wild to third base allowing Mock to score and Shifflett to continue to third.

Schmidt singled in Shifflett to account for the third run. Strub hit into a double play and Dano fled to right field to end the inning.

Phi Alpha once again kept pace in their half of the third. Myers got to second base on Schmidt's wild throw of his ground ball. Byron singled Myers home to make the score 4-3. Baker forced Byron at second. Mason popped up. Baker stole second base and scored on Shifflett's poor throw to second base that skipped into center field.

### Winning Runs

The winning runs were scored in the fourth inning when Lacey forced Algee and Sheridan singled. Jacot singled in Lacey and the runners moved up on the throw home. The final SPE run came in on Mock's fly ball to center field.

Phi Alpha rallied in the ninth for one run, but couldn't pull the game out. With one out, Baker walked and stole second base. Irwin Ruben hit a double down the third base line to score Baker. Bernie Sheridan made a good running catch of Warren Dannick's fly ball to left center to give SPE the ball game.

Phi Alpha(b) took a relatively easy decision from PIKA(b) in their playoff game. Warren Lytle, Pike hurler walked in five runs to give the Phi Alphans their margin of victory.

Phil Enowitz, Phi Alpha second baseman, got things rolling in the first inning by hitting a three-run homer. Pincus got to first on a walk, Orlove singled, and Enowitz slammed his 4-bagger.

The Pikes handed the ball game to the Phi Alphans in the third inning, when the Alphans scored four runs on five walks, an error, and a hit batsman. Lytle didn't give up one hit, but his wildness cost him four runs.

### Great Catch

Wolf staved off a Pike rally in the fifth inning by making a terrific backward running, diving catch of Joe Hince's long fly ball.

The Pikes rebounded from their loss to the Phi Alpha(b) team and squeaked out a close decision over the Phi Alpha(a) team.

Scoring two quick runs in the first inning, the Phi Alphans looked like they would run away with the ball game. Myers double, (See MURAL SOFTBALL, P. 9)

## Paul Nordquist Named To All-American Team

by Paul Truntlich

• ADDING THE FINAL touch to this most successful year in Colonial sports was the naming of Paul Nordquist to the All-American Rifle team.

Nordquist, a junior, was one of 10 standout shooters in the nation who were selected by the National Rifle Association to receive this honor.

He received a golden bullet, symbolic of making the selective team.

For Paul, it was the climax of a great season of shooting. His average for nine scores was a sparkling 288.

In addition, he fired in the Intercollegiate Rifle Matches at Maryland and won a silver medal as a local sectional winner. Nordquist shot a 289 to take the individual Middle Atlantic honors.

In comparison with other sectional victors at this match, Paul is pretty sure that he was ranked in the top ten nationally. The highest score of other participants was a 293. Paul topped this score at the same meet with 294, but was firing in the team matches at the time.

Nordquist also fired in the National Rifle Association Sectional and captured a very respectable fourth place. This is a feat indeed when it was brought out that between 2,000 and 2,500 entries were in the meet this year. Paul shot a 787 out of a possible 800.

Paul has been firing since he was 14 years old. It all started when his father bought him a rifle. From then on, it was practice, practice, practice.

In his high school, there was no rifle team for which he could fire. Paul has fired all his three years at G. W. His freshman year, he fired a 283 average which he raised to 286 the next season.

Nordquist is a very modest fellow. He said he "picked up what little I know from watching the tough guys (standout shooters) like Arthur Cooke and Allen Luke. I learn from the guys that beat me."

Besides firing on the Colonial rifle team this year, Nordquist also fired at Fort Belvoir where he posted a 394 average out of 400.

He also belongs to the Arlington Rifle and Pistol Club. The instructor of the club is Dick Balingier, the last man at George Washington to cop All-American honors

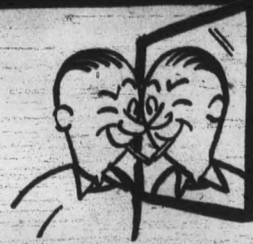

as a rifleman. Balingier did it in 1950. Another member of the club is Woodward G. Eiche, a G. W. graduate, who was named to the second team All-American the

same year as Balingier.

Paul is a Chemistry major and plans to enter graduate school. He said that he "intends to keep firing after getting out of school."

## Pitching with Paul...

by Paul Truntich

• FOR THE SECOND TIME in a decade, a brothers combination has helped put a Colonial sport into the spotlight.

A few years ago the Holup brothers, John and Joe, revived sagging basketball fortunes and helped build the Buff into a national power.

This year it's Jim and Jack Tarr, standout tennis players, who have been a big reason for the success of Coach Bill Shreve's winning net team.

Last season Jack, a sophomore, was the number one player on the tennis team. This year he played the number two position behind his brother Jim, a freshman.

Both years the tennis team copped the regular season and the tourney championship in the Southern Conference.

This spring Jim posted a 10-2 mark, the best record of any number one singles player compiled under Coach Shreve's 10-year reign at G. W. Jack finished at 8-4. In doubles, the two combined to whip 10 of 12 opponents.

Shreve said that the doubles record might have not been the best percentage wise, but it was the best he ever coached when you take into consideration the tough schedule that G. W. played this year.

Coach Shreve went on to say that "a lot of the credit of the team's success this year belongs to the Tarr brothers." He added, "They have unlimited possibilities, but will have to work on their game all the time."

The Tarr brothers' career started in Louisville, Kentucky, 19 and 18 years ago respectively, Jack being the older of the two.

Their step-father, Walter Senior, the number one teaching tennis pro in the country in 1946-47, got the two boys interested in tennis. Senior, by the way, was the only man to defeat the great Bill Tilden more times than Tilden beat him.

When Jack was 11 and Jim 10, they started entering the Southern Juniors at Davidson. They were still inexperienced, however, and didn't make themselves known yet.

At Eastern High School, it was a different story. In Jack's senior year, the two combined to become the number two ranking doubles combination in the country. They captured the state doubles three years. Jim won the state high school singles his senior year.

Jack graduated one year ahead of Jim and came to G. W. In his first year, he played the number one singles and posted a 7-4 mark. He and his partner, Neil Walsh, combined to whip their teammates, Herb Rappaport and Saul Liebowitz, in the Southern Conference doubles finals. Rappaport and Liebowitz had a 15-0 record up to that time.

Then Jim followed in his brother's footsteps and came to George Washington the following year, and you know the rest.

Both are majoring in commercial art and both are R.O.T.C. students who hope to get in the advanced course. And each one wants to follow their mother's avocation and become a fashion artist.

## Phi Alpha Wins First Place In Mural Standings

by Bob Lipman

• PHI ALPHA COPPED the All-University Intramural cup in one of the closest and most exciting races in Intramural history.

The Phi Alphans won two leagues in softball to go ahead of Alpha Epsilon Pi and Delta Tau Delta in the Intramural standings. The championship games just added on to their total, but this is the first year that the outcome of the Intramural race has been unknown until so late in the season.

Throughout most of the year Delta Tau Delta was on top of the heap. Phi Alpha and AEPI were close behind, but didn't begin to catch up until late in the year. Softball was the deciding factor for Phi Alpha, while AEPI beat out the Deltas by virtue of Softball and Badminton.

The Deltas lost the race in softball. Their two teams combined won only a total of five games, two games being added on because two leagues played one more game. Phi Alpha won twelve games in softball, plus the extra points they picked up in the championship games. AEPI won eight softball games, and were nosed out of the league title by the current softball champions, SPE.

Badminton was another deciding sport, with the Deltas losing a lot of ground. AEPI and Phi Alpha took second and third place, respectively.

There was a big gap between the three leaders and the fourth place organization, Sigma Chi. Nearly five hundred points separated third and fourth place.

Sigma Chi, Sigma Nu, and Pi Kappa Alpha came up late in the season to cop fourth, fifth and sixth place, respectively. The Sigs climbed all the way from 12th to fourth with a late season flurry.

Badminton was won by Sigma Chi. The Sigs placed Claypool, Geisler, Zaleski, and Barrow in the final night of activity.

Jim Lin won the individual title by beating Irwin Ruben in the

## Buff Nine Repeats As SC Champions

by Bill De La Vergne

• GEORGE WASHINGTON'S baseball team kept pace with the other Colonial spring sports, tennis and golf, as they copped the Southern Conference baseball championship by winning four straight conference games last week.

Besides wrapping up the S. C. crown for the second year in a row, the Colonial nine was the Nation's first team to earn a berth in the N.C.A.A. championships.

Gino D'Ambrosio is the latest hero in the Colonial success story. D'Ambrosio slammed two home runs at Griffith Stadium to lead G. W. to a 4-2 triumph over William and Mary, Saturday. The victory avenged their only S. C. loss, an 8-3 decision to the Indians, April 19.

### First Home Run

D'Ambrosio's first homer came in the first inning after Jack Henzes walked. His second, which decided the game in the 14th, was a tremendous poke into the left field stands, 370 feet away. Henzes again was on base after walking.

George Bickerton was the winning pitcher, relieving starter Jack Arthur in the ninth after William and Mary had tied the game, 2-2. Bickerton allowed only two hits in five innings, to earn his sixth victory against two defeats.

The Colonials have now compiled an amazing 17-2 record and have won 11 to 12 in the conference to give them the title and put them in the Southern District eliminations. Winners of eight district tournaments will advance to the double-elimination finals at Omaha June 8-13.

Losing hurler, Bob Becker, of William & Mary said after the game, "I don't mind losing a game if I had to lose it to a person like Gino; he's a tremendous ball player."

### Win Double Header

In earlier games last week, the Colonials took both ends of a double header from West Virginia and won a 12 inning affair from Richmond.

Jack Arthur, freshman left-

hander from Warrenton, Va., set down the Mountaineers, 4-2, in the first game of the twin bill. Jack hurled a strong four-hitter to pick up his fifth victory without a defeat.

A four-run uprising in the first inning by the Colonials was all that Arthur needed. G. W. was fortunate that it scored enough runs early because West Virginia pitcher Steve Bolyard settled down and shut the door against the Buff the remainder of the game.

### Bickerton Takes Fifth

In the nightcap, George Bickerton, sophomore righthander from Wilson, won his fifth, downing the Mountaineers, 6-4.

Hits by Ted Colna, Dick Giesler, and Dick Cilento scored what proved to be the winning run in the third.

Third baseman Jack Henzes hit a solo home run in the sixth to give Bickerton an insurance run.

Against Richmond, the Colonials were extended 12 innings before they finally won, 5-4. This victory clinched the Southern Conference championship for the Buff.

### Rally In Twelfth

G. W. was trailing, 3-1, going into the sixth before they unleashed their power once again. Bo Austin started it with a home run to deep left center. Jerry Power walked and came home on a ringing triple to left by catcher Dick Giesler to tie up the ball game.

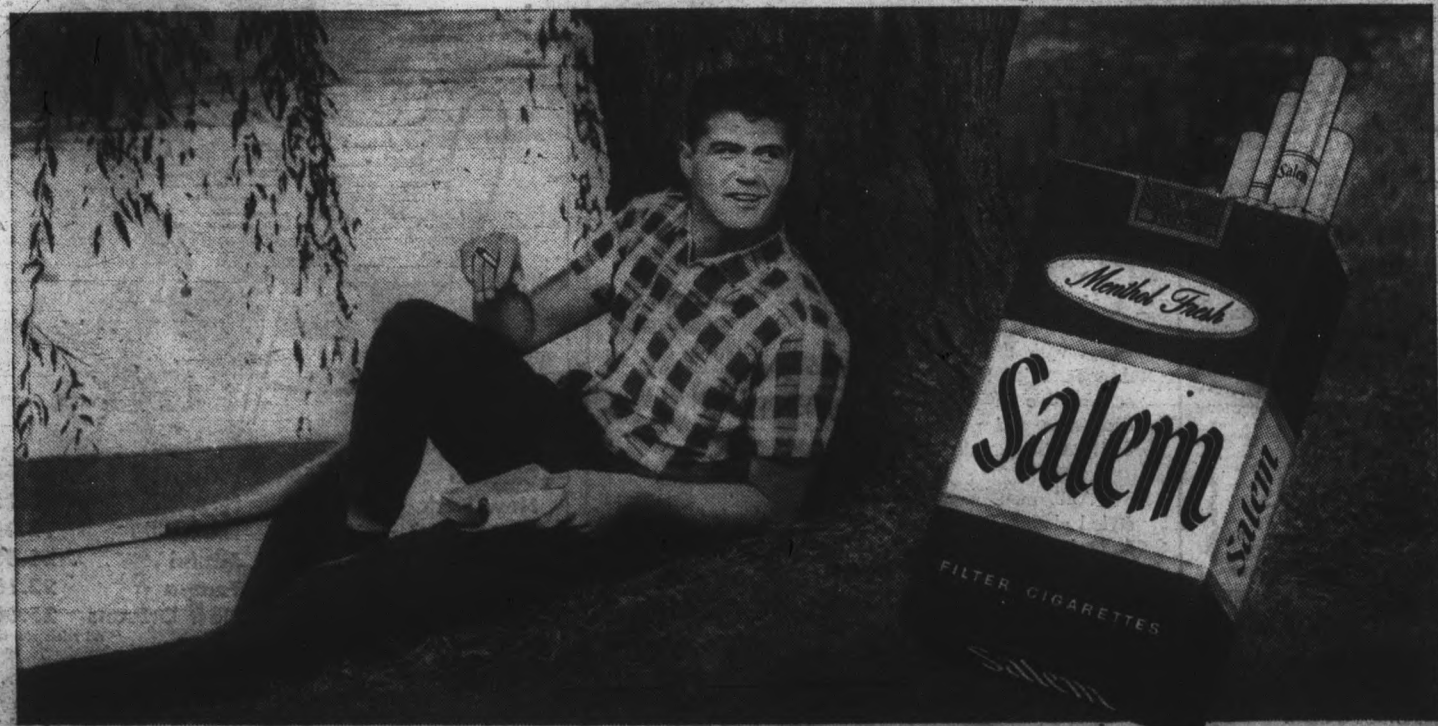

Richmond scored once in the top of the 12th to take a lead, but G. W. rallied for two runs in its half of the inning to wrap up the game.

Dick Claypool pitched six in-
